

# **TAPESTRY WEAVING** **for CHILDREN**

*Learn to use a small frame loom!*

- ✓ This introductory course is designed for children, ages 6-12.
- ✓ You will learn how to use a small frame loom to make small woven projects..
- ✓ You will learn some of the terms that weavers use..
- ✓ Instructions will be given so you can make your own frame loom at home.
- ✓ Other small looms will be available for demonstration purposes, so that the students can see the variety of weaving techniques that are available.

**Instructor: Shannon McKinley**
